Dear Professor Al-Abed Al-Haq:

At their April 19-20, 2022 meeting, the directors of the National Architectural Accrediting Board (NAAB) reviewed the Visiting Team Report for Hashemite University's International Certification.

On behalf of the directors of the Board, it is my pleasure to inform you that the Bachelor of Science in Architectural Engineering (172 credits) degree offered by the Department of Architectural Engineering has been granted NAAB International Certification for a term of six years, effective January 1, 2021. Hashemite University's next visit will be held in 2027.

Consistent with the *2019 Procedures for NAAB International Certification*, all programs with Visiting Team Reports that identify 'not-met' Student Performance Criteria are required to submit an Interim Progress Report (IPR). Your program is required to submit an IPR to address the program's progress in correcting the not-met Student Performance Criteria identified in the 2021 Visiting Team Report on or before **November 30, 2024**. The NAAB will provide a template for the report under a separate cover on or before March 30, 2024.

Further, the program is required to make the following documents available, in their entirety, on the Hashemite University website:

- 2021 Visiting Team Report (attached)
- Program Self-Evaluation Report prepared for the 2021 visit
- [2019 Conditions for NAAB International Certification](#)
- [2019 Procedures for NAAB International Certification](#)

Thank you for your continued support of quality assurance in architecture education.

Sincerely,

Rebecca O'Neal  
President
