Dear President Bani-Hani:

At the January meeting of its Board of Directors, the National Architectural Accrediting Board voted to accept the report from visit one regarding the application for International Certification for the Bachelor of Architecture degree at Hashemite University.

Visit two will tentatively be scheduled for fall 2020. The team for visit two will consist of two people: one educator and one practitioner. The NAAB must receive the Program Self-Evaluation Report for visit two at least 120 days before the visit. The architecture program administrator should stay in touch with the NAAB's director of international services, Janet Rumbarger (jrumbarger@naab.org), about arrangements for this visit.

On behalf of the NAAB directors and staff, I want to express how pleased we are that the university is moving forward with this program. We look forward to working with you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Barbara A. Sestak'.
