## Introduction

On behalf of the organizing committee, we are delighted to invite you to the 18th Jordanian Chemistry Conference and Exhibition (JCC18-2023), that will be hosted by the Hashemite University in cooperation with the Jordanian Chemical Society between 12-13, September 2023. We encourage you to participate by submitting an abstract of your work for an oral or poster presentation. It is an opportunity to share your work and interact with colleagues from across the globe. We look forward to your participation in the JCC18-2023 for a high-level, inspiring program which will explore a diverse discipline of chemistry subjects.

### Abstract submission deadline:

- Jul. 1, 2023 (Oral Presentation)
- Jul. 15, 2023 (Poster Presentation)

Notification of acceptance: Aug.1, 2023

The conference activities will begin on Tuesday, Sep. 12 in Amman, with a welcome and opening plenary lecture, followed by the welcome reception and exhibition. Then, our invited guests will present latest advances in chemical sciences. The scientific program will be on Wednesday, Sep. 13 at the Hashemite University premises.

## Topics

The conference will cover the following areas in Chemistry:

- Organic Chemistry
- Inorganic Chemistry
- Physical Chemistry
- Analytical Chemistry
- Green Chemistry
- Industrial Chemistry
- Material Science
- Surface Science
- Advanced Materials

## Registration

Registration Type		Registration Rate (US dollar)
Local participant	Member of JCC	0 \$
	non-JCC member	50\$
