

THE HASHEMITE UNIVERSITY - FACULTY OF ENGINEERING - DEPARTMENT OF ARCHITECTURE
COMPETITIONS, PARTICIPATIONS AND AGREEMENTS OF FACULTY MEMBERS

OUR DEPARTMENT

Acceptance and Success

Announcing the acceptance and success of the results of the second visit of the NAAB International Accreditation of the Department of Architecture at the Hashemite University.

OUR DEPARTMENT

Students' Work Gallery

Within the following up framework of Prof. Fawaz Al-Abdulhaq, the president of the Hashemite University, of the procedures of the College of Engineering and the Department of Architecture in preparation for the second visit of the NAAB (National Architectural Accrediting Board) to the department, the president of the university, accompanied by Prof. Dr. Khaled Al-Hiyari, Vice President for Academic Affairs, visited the Department of Architectural Engineering at the College of Engineering and reviewed all the preparations that included exhibitions of student projects for different years and the models resulting from those projects.

Dr. Ahmed Al-Hashban presented a detailed presentation of all the preparations and measures taken to fulfill the exact conditions and standards within the preparations for obtaining this international accreditation, which upon obtaining it will be considered an international recognition of the leadership of the Hashemite University, the College of Engineering and the Department of Architecture in it.
